BBK
بنك البحرين والكويت

BBK has been the pioneer in Commercial Banking for over 35 years in the Kingdom of Bahrain. As a revolutionary market leader, BBK has built a name and reputation which is respected locally as well as internationally. To maintain this reputation, BBK has been at the forefront, incorporating the latest technologies to provide the finest services. One example of which is the e-banking solutions offered by BBK, which provide new generation services through its user friendly award winning website www.bbkonline.com, along with the telebanking, Cash depository machines and ATM services. BBK is proud to be ranked in the top 10 amongst all listed companies in the GCC for the second consecutive year for their corporate governance practices, according to the BASIC methodology which was developed by The National Investor and endorsed by Hawkamah, the Institute for Corporate Governance.
